

# WE'VE FOUND THE **SPACE** TO GROW TOGETHER. **LET'S BE PARTNERS.**

We've the tools to grow together using  
**RocketFuel Parcel Recharge**

## “RocketFuel is the first FinTech for 3PLs and it's exciting to be a part of their growth.”

First off, we'd like to be the first to welcome you future partners to the ground floor of something truly unique and one of a kind - the first FinTech SaaS company made specifically for 3PLs. We know it's difficult to believe, but we're here to tell you that we're looking for partnerships that can enhance our value proposition and help us empower one another for mutual growth over the years to come.

By joining forces with RocketFuel, you immediately become a catalyst for your clients' success in the 3PL space. Our platform was created to solve the specific pain points that all 3PLs experience. If we share the same customer base, that means we help set you apart in a competitive market - literally overnight.

Here's what we mean:

- ✓ **Discover Uncharted Revenue Streams**  
Monetize every aspect of parcel shipments—including adjustments and discrepancies—through features like carrier claims management and automated parcel auditing.
- ✓ **Enhance Customer Value**  
Address your client's most pressing pain points with instant pre-payment for parcel shipments, automated auditing, and advanced analytics.
- ✓ **Gain a Competitive Edge**  
Position yourselves as leader in the efforts to modernize 3PL operations before your competition. Empower clients and they'll be loyal to you.
- ✓ **Collaboration & Co-Marketing**  
Access detailed data on shipping patterns, costs, and carrier performance to make smarter choices that streamline your supply chain.
- ✓ **Lead Industry Transformation**  
Gain greater visibility into our performance and billing processes, fostering a more transparent and collaborative relationship.
- ✓ **Scale by Design**  
Scale your services seamlessly without compromising financial stability. Be ready for the next level.
